

Professional Wheeled Cart Model # 10-0002

The Evo Professional Wheeled Cart is built for your backyard patio or deck. Gather around with family and friends for conversation and a great meal. Round up your neighbors and take the party outside!

Adjustable Vent
exhausts steam and vapors from under lid

Wide Grip Handles
makes moving the cook surface easy

Stainless Steel Drip Pan
surrounds cook surface to contain spillovers

Removable Spillover Tray
makes clean-up easy; stainless steel, dishwasher safe

Heavy Gauge 304 Stainless Steel Construction

Electronic Starter
provides one-touch ignition to both burners

LPG Tank Shield
made of stainless steel; conceals a standard 90kg LPG tank

Heavy-Duty Rubber Wheels
easily navigate patios and decks

Lid lets you roast, steam, warm, or smoke foods

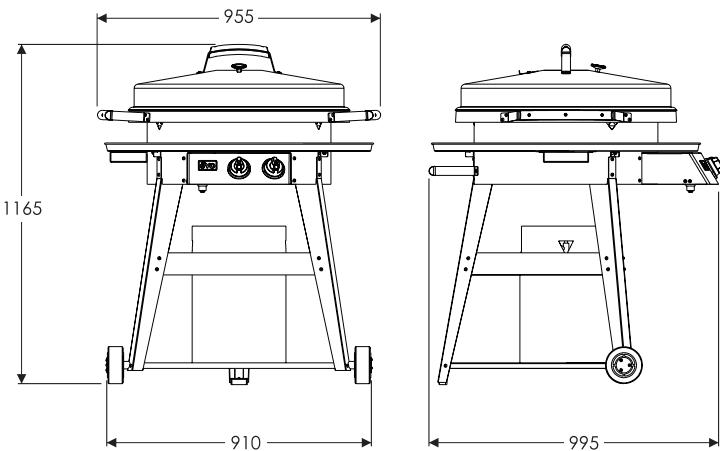

Cooking Surface
76.2cm diameter. Dual burners provide variable temperatures from 107°C to 288°C

Flame Portals located just above the control panel provide a convenient view of the burners

Inner and Outer Burner Control Knobs
command variable temperatures across two circular heat zones for edge-to-edge even heat

Stainless Steel Fasteners Throughout
provide strength and lifetime rust-free quality

Removable Leg Brace
provides access to LP tank for easy exchange
